## AGCO Parts EP Grease

### AGCO Parts references:

---

3933076M2 12.5Kgs  
3933075M2 400g Cartridge  
3933075M3 400g Cartridge

### Applications

---

A premium quality multipurpose grease for use in all anti-friction and plain bearings subjected to high shock load and vibration conditions. Can be used extensively for applications throughout the agricultural, off-highway, automotive and industrial sectors, including wheel bearings and chassis lubrication.

### Main Benefits

---

- Excellent extreme pressure and anti-wear performance.
- High degree of corrosion protection.
- Multi purpose grease particularly for heavy duty applications.

### Typical Characteristics

---

NLGI Consistency	No.2
Appearance	Honey Brown
Thickener	Lithium Soap
Base Oil Viscosity cSt	180
Worked Penetration	265-295
Dropping Point	185
Oil Separation	5 max
Copper corrosion	Pass
Resistance to Corrosion Emcor	0:0
Water washout (39 °C)	3
Four Ball Weld Load Kgs	315
Timken OK load lbs	50
Oxidation Stability 100 °C	
Pressure drop after 100hrs psi	4
400 hrs	14
Operating range	-20 °C to +140 °C

## **Storage**

---

All packages should be stored under cover. Where outside storage is unavoidable drums should be laid horizontally to avoid the possible ingress of water and the obliteration of drum markings. Products should not be stored above 60°C, exposed to hot sun or freezing conditions.

## **Health, Safety and Environment**

---

Health, safety and environmental information is provided for this product in the Materials Safety Data Sheet. This gives details of potential hazards, precautions and First Aid measures, together with environmental effects and disposal of used products.

You should ensure that the product is only used for the purpose specified.

The above figures are typical of those obtained with normal production tolerance and do not constitute a specification.

This Product Information Sheet contains details considered to be accurate at the date of printing. No warranty or representation, expressed or implied, is made as to the accuracy or completeness of the data and information contained in this publication.

The Seller shall not be responsible for any loss or damage resulting from any hazards or risks identified in the data sheet and which are associated with petroleum products concerned (provided that this disclaimer shall not affect any statutory rights of the Buyer of the petroleum products concerned).

It is the User's obligation to evaluate and use products safely and within the scope advised in the data sheet and to comply with all applicable laws and regulations. No statement made in this publication shall be construed as a permission, recommendation or authorisation given or implied to practice any patented invention without a valid licence.

You should always refer to the relevant machine Operators Instruction Manual and only use correct specifications advised
